

Aerospace Finance/Banking Transaction Lawyer (m/f/d) Full time

Airbus Bank GmbH is a subsidiary of Airbus, a global leader in the aerospace industry with more than 134,000 employees. Airbus Bank GmbH offers financing service for the aerospace and real estate sector. The headquarter of Airbus Bank GmbH is Munich.

Your responsibilities/Key tasks:

- Legal Counseling in all relevant areas of banking/finance law in particular with regard to asset based financing (aircraft, helicopter financing etc.) same as joint venture and corporate financing,
- Legal Counseling, drafting, negotiation and execution of international Aerospace and supplier financing transactions and advising on all relevant legal aspects,
- Drafting and development of new transaction templates for various deal types in relation to inter alia aircraft and helicopter financings,
- Review and update of existing standard documentation,
- Drafting, reviewing and negotiating contracts and/or other legal documents, including credit and loan agreements, respective security documentation, suretyships, repos, confidentiality and cooperation agreements etc,
- Identifying and advising on potential legal risks in financing contracts and transaction structures,
- Providing legal training for other departments and supporting the preparation of standard contractual documents for finance transactions,
- Ensure regular monitoring of (potential) legal issues and regulatory requirements,
- Coordination of cross-discipline topics within the team,
- Strong involvement and legal support in the relevant new products processes (NPP).

Required qualifications

- First and Second Degree in German Law (Erstes und Zweites Juristisches Staatsexamen) or English law qualification (solicitor) or similar qualification under any other jurisdiction,
- Additional English, Irish, French or US qualification would be considered as a strong plus,
- Relevant post-qualification experience gained either from a leading international law firm or an international bank or other regulated entity,
- Excellent drafting skills under German and English law,
- Ability to work independently with minimal supervision,
- Excellent German and English language skills, French language capabilities would be considered as a plus,
- Strong negotiation skills gained in an international environment,
- Team-work and business-oriented mindset,
- Professional experience as well in banking/finance law as in regulatory,
- Ability to coordinate and align input across internal multi-national functional teams and external advisors (law firms, consultants and/or auditors).
